The form consists of five concentric rounded squares. The outermost square is the largest, and each subsequent square is smaller and centered within the previous one. The text labels are placed in the space between the squares: 'PREPOSITIONS' between the outermost and second squares, 'ADVERBS' between the second and third, 'VERBS' between the third and fourth, 'ADJECTIVES' between the fourth and fifth, and 'NOUNS' between the fifth and the innermost square. The innermost square contains the text 'PLACE IMAGE HERE'.
